Small Motorhomes,

but **BIG** on enjoyment

Est. 1985

**Roma Club** members are a friendly bunch.

For over thirtyfive years, owners of these delightful and practical little motorhomes have been sharing their Romahoming experiences, their knowledge, and friendship. The colourful Roma Review, published quarterly, offers travel tips, members' letters, maintenance advice, and humour.

**Romaclubbers** get the most out of their investment, whether it is one of the original demountables, the Romini micro caravan, the Citroën C15s or the very latest in the Romahome range. Members may get discounted insurance. Advice from fellow Romahomers is very useful to both new

and old owners, and all this can soon save the small cost of membership. We accept that not everyone likes club rallies and events, but others enjoy them

*The choice, of course, is yours.*

**Often copied**, but never bettered in its range, the Romahome was, and is, a well designed little motorcaravan.

**Why not join now? Attached is a membership form.**

Payment by BACS helps us, and the details are on the form. The **£20.00**, will ensure that you can share in the experience and advice, cut your costs and enjoy your Romahome.
